

Ocmulgee Blacksmiths Guild Scholarship Guidelines

Scholarship Committee

The president will appoint a three-member committee to address the following:

1. Approve the scholarship class, and after the recipient has registered, authorize payment of 1/2 scholarship money to recipient
2. Keep track of recipient obligations
3. Approve auction piece provided by recipient
4. Approve scholarship extension requests

Members have the right to appeal Scholarship Committee decisions to the Board of Directors.

If a Scholarship Committee member wins a scholarship, the president or vice-president will be involved in any approvals for that committee member.
